# Pastor's Comments

BY FR. FRED GATSCHET

## If Christ has not been raised...

1 Corinthians 15 contains St. Paul's teaching on the final judgment and the resurrection of the just on the last day. The fact that Jesus rose from the dead is a major thorn in Satan's side. Satan is known as the Prince of Darkness. He rules over a kingdom of lies, disease, betrayal, ignorance, and ultimately death. That Jesus rose from the dead completely cuts Satan off at the knees and he is not happy about it.

So what to do? Discredit the Resurrection. Daily our Christian faith is assaulted as being out of touch, old-fashioned, irrelevant. Christians themselves and our failure to live up to our own teachings are routinely paraded around as to why no reasonable person would join and profess the Faith. Over the centuries, none of these have succeeded in driving the last nail into the coffin of Christianity

No, if Christianity is to be destroyed and defeated, the Resurrection needs to be shown to have been a giant hoax. St. Paul tells us as much in today's second reading:

*"If Christ is preached as raised from the dead, how can some among you say there is no resurrection of the dead? If the dead are not raised, neither has Christ been raised, and if Christ has not been raised, your faith is vain; you are still in your sins. Then those who have fallen asleep in Christ have perished. If for this life only we have hoped in Christ, we are the most pitiable people of all. But now Christ has been raised from the dead, the first fruits of those who have fallen asleep."*

As usual, St. Paul cuts right to the chase. If there is no resurrection then our faith is pointless. Opponents of faith might grudgingly recognize the good things done by people of faith. We run soup kitchens, food pantries, hospitals and the like. But they will quickly point out that one does not have to be religious to do such things. This may be true, but who has ever seen the "United Atheist Children's Hospital?" Or what about the "LGBTQ+ Food Pantry?" As St. Paul says, if our faith in Jesus is only about doing good in this life, then it is really no good. But it is the great joy and hope afforded to us by the Resurrection of Jesus that drives us to work in His kingdom by feeding the hungry, clothing the naked, and caring for the sick.

## Gospel Meditation

I craved four things as a teenager: success in sports, food, fun and the attention of popular people. However, I noticed that as I acquired them, I was more unsatisfied than before. So, I'd strive even more energetically, achieve more, and the sense of emptiness was greater still. These four things started to feel like burdens or even curses. Soon after, I encountered Christ in my high school youth group. Experiencing his love was totally different than anything those four things previously produced. It produced a lasting happiness.

Jesus utters a kind of four-fold curse in this week's Gospel of Saint Luke's "woes": **"Woe to you who are rich...who are filled now...who laugh now...who are well-spoken of"** (cf. Luke 6:24-26). How marvelous that these correspond perfectly to the four things that obsessed my teenage soul: riches, food, laughter and good reputation. The "woes" the Lord speaks are warnings: when those things are the *purpose* of your life, you'll be miserable. He is saying, "You'll be happy, or blessed, in the measure that these things do not determine the shape of our lives, and the kingdom of God does."

To some degree, we're all spiritual teenagers, addicted to one or more of those four "woes." How splendid that the Lord wants his to bless us — that is, to satisfy us, make us laugh with joy, and in the kingdom of God, offer us what will truly satisfy us. But first let's admit what is causing our "woes."

— Father John Muir

## Getting to Mass in Winter Weather

As the temperatures start to dip even lower and we begin to see snowflakes, it reminds us that winter is here! Use good judgement in getting out in bad weather when coming to Mass. If the ice, snow, or just the bitter cold and wind are a threat to your health/safety, please stay home! It is edifying to see that people are really driven by a strong desire to attend Mass, but remember, if you fall and break a bone (or two!) you will probably miss many weeks or months of Masses as opposed to playing it safe and missing just one Mass if the weather is bad. One of the benefits of belonging to a community of faith is that if you cannot make it to Mass, the rest of us will pray for you! Also keep in mind that when the roads become icy and snow packed, the ministers to the homebound will not be going out to distribute Communion to our shut-ins.

## What is a Birth Blessing?

Offering birth blessings is one of many ways we hope to encourage community and prayer within our ministry. A birth blessing is a social, yet prayerful gathering hosted for one or more expectant moms as they prepare to welcome their new baby. This meaningful event provides Catholic moms the opportunity to gather in a child-free space, to embrace the beauty of motherhood, foster community, offer support, and unite in prayer. Normally hosted in someone's home, fellow moms and friends may bring refreshments for the gathering and, though it is not necessary, small gifts and cards with a personal message or prayer for the special mom and baby. Then together, a rosary is offered—for a continued healthy pregnancy, a smooth and safe delivery, and an easy postpartum recovery. This rosary is especially fitting because it is accompanied by a beautiful meditation on the joyful mysteries. This reflection is specific to the mom, her family, and their intentions. During a birth blessing, the expectant mom is enveloped in community and prayer. It is a time of grace, connection, and support, making it one of the most treasured moments for any mother preparing to give birth.

# Pope Francis on the Parish

I would like to stress one thing: the parish remains valid! The parish must remain. It is a structure that we must not discard; it is the home of God's People. The problem is how the parish is organized!

There are parishes... who scare people off. Parishes with closed doors... But there also parishes with open doors, parishes where when someone comes to ask a question, they are told: "Come in, make yourself at home, what can we do for you?" And someone listens to them patiently, because caring for the people of God requires patience; it takes effort!

Managing a parish takes effort nowadays... The Lord has asked us to get a little tired, to work and not to rest... A parish is exhausting if it is well organized.

The renewal of the parish has to be a constant concern... It has to remain a place of creativity, a reference point, a mother, where inventiveness finds expression. When a parish does all this, it becomes a missionary disciple, a parish that goes forth.

## He Could Have Done It on His Own

God could have done it alone. Take creation for example. He formed all of creation without the help of humans and that has been running pretty well without us for the past billions of years. So, through creation, God has proven that if he wants to do something on his own... he could do it on his own.

God could have saved humans on his own as well. Jesus could have come as a powerful ruler, a superhero, or an "ubermensch" and simply routed the foe and established his Church without the help of others. Of course, that would have made him a tyrant and us a little less than abject slaves. But he didn't choose to do this.

Rather, the God who created all things on his own did not establish his Church on his own. Jesus Christ did not come as a tyrant, a dictator, or a Greek god to establish a Church by force. Jesus determined that the best way to establish a Church was to invite his disciples to share in the work of the Church. When Jesus Christ came he chose twelve Apostles and sent them out to "make disciples of all nations, baptizing them...and teaching them. (Matt 28:19-20)" These disciples in turn were tasked to make other disciples and to become "one Body in Christ. (Rom 12:5)"

Jesus Christ shared his work of salvation with his disciples. He made the members of his Church "stewards of God's gifts (1 Pet 4:10)" and stewards of "the mysteries of God. (1 Cor. 4:1)" In other words, Jesus has

so established the Church that we cannot be disciples without being stewards. Stewardship is the active element of our discipleship. As this year's stewardship theme asks,

## Who are you following?

Jesus constantly invites us to imitate him in the work of the Church.

Discipleship is your pledge to follow Christ as your Savior. Stewardship is your pledge to serve the Church even as Christ served (Mk 10:45). Like the rich young man, God calls us to not only keep his commandments, but he also invites us to follow him in generous service.

Jesus could have established a Church on his own; but he didn't. He chose to invite his disciples to share the work of his Church as stewards. How will you respond to Christ's invitation to live out your stewardship?

## Parish Stewardship Renewal Forms

**Stewardship Renewal Forms and Tithing Statements** were sent out at the end of January. Please look these over, make any additions or corrections, and **send back ALL THREE SHEETS. Please do not cut the sheet or only send back the family sheet or the financial sheet.** Place them in the return envelope and drop them in the Ark, which is located in the east transept of the church under the statue of St. Anthony. These can also be placed in the collection basket on the weekends or mailed to the parish office.

Of the **660** forms that have been mailed to registered parishioners, **201** have been returned so far, making that **30%** of the parish. Please remember to return yours to the parish!
